DepEd Vision

We dream of Filipinos who passionately love their country and whose values and competencies enable them to realize their full potential and contribute meaningfully to building the nation.
The Department of Education maintains that there should be adequate provision of relevant, appropriate, and contextualized supplementary materials to support and supplement the use of course textbooks.
R.A. No. 10533

Rule II, Section 10.3 of Republic Act No.10533, or the Implementing Rules of Basic Education Act of 2013, mandates the production and development of locally produced teaching and learning materials.

The Regional Learning Resource Management Development Section (LRMDS) under Curriculum and Learning Management Division (CLMD) conducted workshops and writeshops on the development, production, and evaluation of contextualized storybooks produced by teachers for regionwide adoptions.
Regional and Division Initiatives on the Production of Supplementary Learning Resources (SLRs)
Division Training-Writeshop on the Development, Production and Evaluation of Print and Digital Educational Comic Books
Regional Convergence of LRMDS Advocates on Learning Resources for Excellence and Sustainability

It highlights the vital role of educators and stakeholders in the development and production of quality assured SLRs through exhibit and pledge of commitment by stakeholders to support the advocacy.

Project CAP LRE

The project serves to fill the need of SLRs for the region.
The production of SLRs in the form of Big and Small Books for indigenous learners in line with the inclusive education thrust of the Department responds to the socio-cultural-linguistic needs of Filipino learners, including their continued use of their heritage language. This initiative, supports the Department’s Mother Tongue-Based Multilingual Education (MTB-MLE) Program, in coordination with the Indigenous Peoples Education Program (IPEd).

FLALOK: Reviving the Blaan Art of storytelling to improve literacy and develop a community of readers in South Central Mindanao
Flalok has undergone phases of project implementation such as community immersion for collection of original Blaan stories, validation of stories, editing, and field testing. Learning resource evaluation is conducted with the help of Division LR Managers, PDOs, learning resource evaluators and Blaan Teachers in the region to quality assure and validate the materials.

Harvesting of quality-assured teacher-made contextualized storybooks, e-books, and digital and animated materials

This is a flagship undertaking of the Division’s banner project: Bringing Everyone’s Strength for Transformation (BEST).

"We dream of Filipinos…

Our vision is more than just the end-goal of a plan. It is a dream, a wish, a prayer – what we fervently hope for and what we diligently work towards.

By envisioning, we begin to fulfill our mandate and responsibilities stated in Republic Act No. 9155 and do our duty as Filipinos.
We will labor hard until there is no more scarcity in the learning resources, Para sa Batang Pilipino, Para sa Bayang Ating Minamahal!
