REQUEST FOR QUOTATION

Date: April 05, 2024

RFQ No.: 18-2024-A

Company/Business Name: _____

*Address:*_____

Business/Mayor's Permit No.: _____

TIN: _____

The **National Library of the Philippines (NLP)**, through its Bids and Awards Committee (BAC), intends to procure for the **Supply and Delivery of Educational and Computer Game Software Application (LOT Bidding)** through **Section 53.9 (Negotiated Procurement – Small Value Procurement)** of the 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184.

Please quote your **best offer** for the item/s described herein, subject to the Terms and Conditions provided on this Request for Quotation (RFQ). Submit your quotation duly signed by you or your duly authorized representative **not later than April 15, 2024 at 4:00 PM**.

The following documents are also required to be submitted along with your quotation on the specified deadline above:

Document	Remarks
PhilGEPS Registration	A copy of Platinum Certificate or Red Membership.
Copy of 2024 Mayor's or Business Permit	In case not yet available, you may submit your expired 2023 Mayor's or Business Permit with the Official Receipt of renewal application. However, a copy of your 2024 Mayor's or Business Permit shall be required to be submitted **before award of contract**.
Notarized Omnibus Sworn Statement (**GPPB-Prescribed Form**)	Supported by Secretary's Certificate or Special Power of Attorney, if necessary.

For any clarification, you may contact us at telephone no. **(02) 5314-2100 local 406 / 412** or email address at **bac@nlp.gov.ph**.

web.nlp.gov.ph l bac@nlp.gov.ph

INSTRUCTIONS:

Note: Failure to follow these instructions will disqualify your entire quotation.

(1)   Do not alter the contents of this form in any way.

(2)   The use of this RFQ is **highly encouraged** to minimize errors or omissions of the required mandatory provisions. In case of any changes, bidders must use or refer to the latest versionof the RFQ, except when the latest version of the RFQ **only** pertains to deadline extension.

   If another form is used other than the latest RFQ, the quotation shall contain all the mandatory requirements/provisions including manifestation on the agreement with the Terms and Conditions below.

   In case a prospective supplier/service provider submits a filled-out RFQ with a supporting document (i.e., a price quotation in a different format), both documents shall be considered unless there will be discrepancies. In this case, provisions in the RFQ shall prevail.

(3)   **All mandatory technical specifications must be complied with.** Failure to comply with the mandatory requirements shall render the quotation ineligible/disqualified.

(4)   Quotations may be submitted through electronic mail at bac@nlp.gov.ph.

(5)   Quotations, including documentary requirements, received after the deadline shall not be accepted. For quotations submitted via electronic mail, the date and time of receipt indicated in the email shall be considered.

TERMS AND CONDITIONS:

1. Bidders shall provide correct and accurate information required in this form.

2. Any interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by you or any of your duly authorized representative/s.

3. Price quotation/s must be valid for a period of **forty-five (45) calendar days** from the deadline of submission.

4. Price quotation/s, to be denominated in Philippine peso, shall include all taxes, duties, and/or levies payable.

5. Quotations exceeding the Approved Budget for the Contract shall be rejected.

6. In case of two or more bidders are determined to have submitted the Lowest Calculated Quotation/Lowest Calculated and Responsive Quotation, the GPPB-TSO shall adopt and employ "draw lots" as the tie-breaking method to finally determine the single winning provider in accordance with GPPB Circular 06-2005.

7. Award of contract shall be made to the lowest quotation which complies with the technical specifications, requirements and other terms and conditions stated herein.

8. The item/s shall be delivered according to the accepted offer of the bidder.

9. Item/s delivered shall be inspected on the scheduled date and time of the NLP. The delivery of the item/s shall be acknowledged upon the delivery to confirm the compliance with the technical specifications.

10. Payment shall be made after complete delivery and upon the submission of the required supporting documents, *i.e.*, Order Slip and/or Billing statement, by the supplier, contractor, or consultant. Our Government Servicing Bank, *i.e.*, the Land Bank of the Philippines, shall credit the amount due to the identified bank account of the supplier, contractor, or consultant **not earlier than twenty-four (24) hours, but not later than forty-eight (48) hours**, upon receipt of our advice. Please note that the **corresponding bank transfer fee, if any, shall be chargeable to the account of the supplier, contractor, or consultant**.

11. Liquidated damages equivalent to one-tenth of one percent (0.1%) of the value of the goods not delivered within the prescribed delivery period shall be imposed per day of delay. The NLP may terminate the contract once the cumulative amount of liquidated damages reaches ten percent (10%) of the amount of the contract, without prejudice to other courses of action and remedies open to it.

12. The Procuring Entity may cancel or terminate the contract at any time in accordance with the grounds provided under RA No. 9184 and its 2016 revised IRR.

13. The RFQ, Purchase Order (PO), and other related documents for the above-stated Procurement projects shall be

After having carefully read and accepted the Instructions and Terms and Conditions, I/we submit our quotation/s for the item/s as follows:

	Supply and Delivery of Educational and Computer Game Software Application (LOT Bidding)		
Unit	**Minimum Technical Specifications**	**Qty.**	**Statement of Compliance (state specific brand or model)**
Lot	**Educational and Computer Game Software Application** **-** Each software application is compatible with iOS and Android - 10 accounts per software applications 1. **Drawing and painting app -** designed for both beginners and professional artists, offers a range of brushes and creative tools. • Brush variety — Paint with 50+ paint brushes, vector brushes, and exclusive Live Brushes. Use built-in smudge brushes for easy blending as well as a set of pixel and vector eraser brushes. • Unlimited layers — Create like a pro and discover infinite possibilities with unlimited layers. • Snap to shape – Hold down at the end of your stroke to snap a perfect circle, polygon, line, or arc into place. • Paint inside mode – Speed up coloring by constraining your brush strokes to your line art. • Color palettes – Fresco automatically creates a color palette when you import any artwork. • Recolor your artwork — Photoshop-like adjustment layers allow you to easily test and apply changes to brightness, hue/saturation, and color balance. • Multicolor eyedrop — Pick up the elements of any piece of artwork to paint with multiple colors at once using any pixel brush or Live Brush. • Motion tools — Adding motion to your artwork is as easy as drawing a stroke. Create an animation using frame by frame or motion paths for a GIF or MP4 movie file. • Time-lapse — Export a video that replays the creation of your artwork from start to finish. • Magic wand, liquify and free transform — Easily select your artwork with the magic wand tool and use liquify and other free transform tools to alter any object. • Learn content — Strengthen your skills with step-by-step tutorials and built-in video tutorials. • Drawing aids — Trace along the edges of a ruler, circle, square or polygon with a brush or fill inside or outside of a shape with the Fill tool. • Guides & grids — Align your artwork easily,	1	

create natural-looking perspective artwork or create perspective from an imported photo.
• Share your artwork — Export in popular formats like PNG, JPG and layered PSD files.
• Seamless integration with Photoshop and Illustrator — Open documents in either app without importing or exporting. Send your layered vector illustrations directly to Illustrator for desktop or iPad for those finishing touches.

Premium Features

• An expanded library of 1,000+ brushes
• Access to over 1,000+ premium fonts
• Seasonal brush releases
• Ability to import brushes (ABR files)
• Increased Creative Cloud storage

2. **Human anatomy atlas app** - provides detailed 3D models of the human body, making it a valuable resource for students studying anatomy.

- Full female and male 3D models to study gross anatomy. View these alongside cadaver and diagnostic images.

- 3D views of key organs at multiple levels. Study the lungs, bronchi, and alveoli; Review the kidneys, renal pyramids, and nephrons.

- Muscle and bone models that you can move. Learn muscle actions, bone landmarks, attachments, innervations, and blood supply.

- See how fascia divides the muscles of the upper and lower limbs into compartments.

Additional in-app purchases:

- video library allows you to explore and educate with more than 100 stunning patient education animations that cover key physiology and common pathologies, including cellular respiration, heart conduction, peristalsis, filtration, coronary artery disease, kidney stones, and sciatica.

- 3D Dental Anatomy includes cusps, fossae, and surfaces, and cross-sectional views of an incisor, canine, premolar, double root molar, and triple root molar; plus, an interactive, animated model of the upper and lower arches.

A full suite of study and presentation tools:

- Dissect models on screen, in augmented reality (AR), and in cross-sections. Download free lab activities that walk you through key structures.

- Take 3D dissection quizzes and check your progress.

- Make interactive 3D presentations that link sets of models to explain and review a topic. Label structures with tags, notes, and 3D drawings.

3. **Coding app, 10 accounts** - offers coding lessons and tutorials for various programming languages.

• Explore two distinct career paths: Full-stack development and Front-end development.
• Learn to code in the most popular programming languages: Python, JavaScript, HTML, CSS, and SQL.
• Benefit from a structured curriculum that guides you through the code learning process.
• Solve bite-size coding challenges for efficient and focused code learning.
• Thanks to our mobile IDE, run code and build real-world projects on the go.
• Test your knowledge in interactive coding/programming playgrounds.
• Apply your coding skills through hands-on experience with guided projects.

4. **Language learning app** - offers language learning courses with interactive lessons.

• Personalized language learning plan based on your motivation.
• Learn a language intuitively using our proven immersion method.
• Perfect your pronunciation with instantaneous feedback.
• Download lessons to do everything offline.
• Access different kinds of exercises with our Extended Learning features.
• Choose from 24 languages

5. **Interactive astronomy app** - provides a detailed simulation of the night sky and offers educational insights into astronomy.

+ Hold your device up, and find stars, constellations, planets, and more!
+ Simulate the night sky up to 100,000 years in the past or future! Animate meteor showers, conjunctions, eclipses, and other celestial events.
+ Control your telescope, log and plan your

observations.
+ Optionally backup all of your observing data in our secure cloud storage and make it easily accessible to multiple devices as well as from our new web interface, LiveSky.com.
+ Augmented Reality (AR) mode
+ Night Vision
+ Orbit Mode. Leave the Earth's surface behind, and fly through our solar system.
+ Galaxy View shows the position of deep sky objects in our Milky Way!

6. **Educational media, entertainment and games app** - offers a mix of educational content and entertainment for young children. App also includes videos and clips from kids shows.

- Safe Games Designed for Kids
* provides a safe, friendly playing experience for toddlers and kids
* Play mini games that boost imagination and allow kids to learn

- Play Offline Games
* Download games and play offline!
* Kids can easily browse and play at home, on the road, or anywhere

- Learning Games for Grade School Education
* 250+ FREE curriculum-based games for kids ages 2-8
* Encourage early learning with educational games for kids with different school subjects
* Explore mazes, puzzles, numbers, play dress-up, coloring, and more
* Math games
* Elementary school games
* Science games
* Reading games
* Art games

- New Games Added Weekly
* Kids will learn and have fun with new games added frequently
* Play new games with accessibility features to enhance the fun!
* Build STEM skills with science, engineering, math, and puzzles
* Play games about social concepts like kindness, mindfulness, and emotions
* Foster healthy habits by learning daily routines
* Spark creativity and imagination with art games

- Play Games from Kids Shows like:
* Daniel Tiger's Neighborhood

	* Wild Kratts * Lyla in the Loop * Work It Out Wombats! * Rosie's Rules * Alma's Way * Donkey Hodie * Odd Squad * Pinkalicious & Peterrific * Arthur * Elinor Wonders Why * Let's go Luna * Xavier Riddle and the Secret Museum * Scribbles and Ink * Clifford * Molly of Denali * Sesame Street * Nature Cat - Play in English or Spanish * Bilingual kids will enjoy playing in English and Spanish * Spanish speakers can play 17 fun-filled, educational games			

Delivery schedule: 30 Calendar days upon receipt of P.O.
